Number Reading and Writing Progress Monitoring Tool

Number ID: Shuffle the 0-20 cards and ask the student to read the numbers aloud to you. Keep track of how the child reads each number.

Number Writing: Read the numbers in the order listed under "writing." The student will write the numbers on the attached page.

check mark: Correctly written/read number	IDK: Don't know
R: Reversal	record error: incorrect number (or incorrect place value order)
