

Name: \_\_\_\_\_

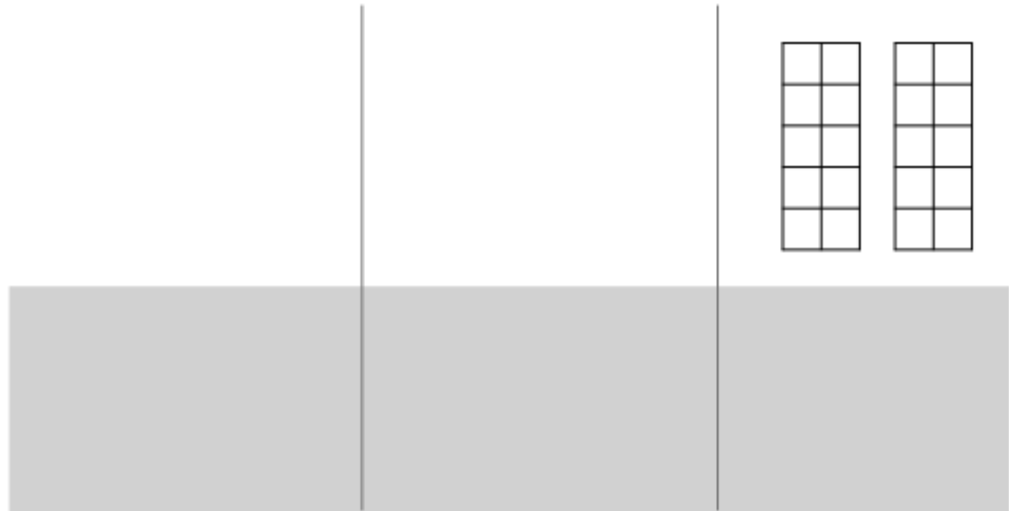

# Base-10 Notation

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

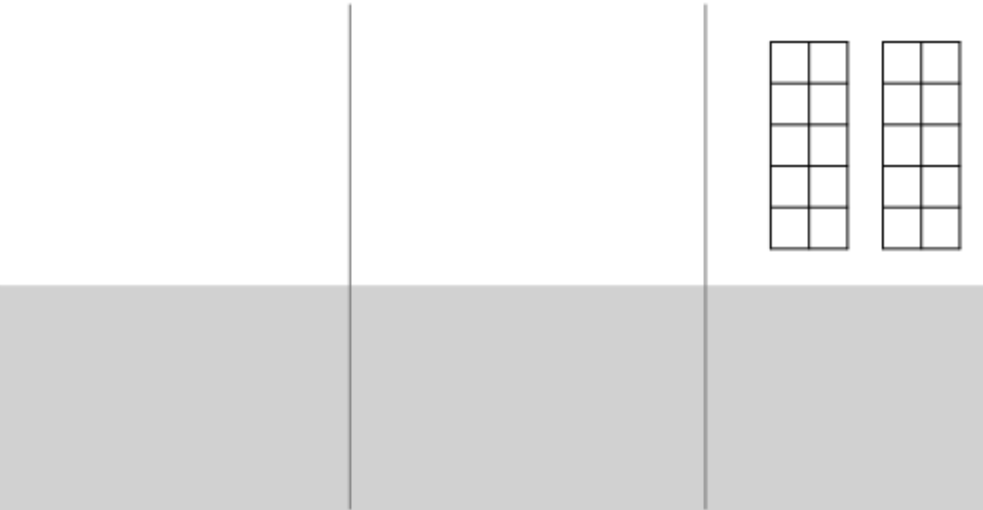

A grid for base-10 notation. It consists of three vertical columns. The top row contains a plus sign in the first column and an equals sign in the second column. The bottom two rows are shaded gray. To the right of the grid are two ten-frames, each a 2x5 grid of squares.

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

A grid for base-10 notation. It consists of three vertical columns. The top row contains a plus sign in the first column and an equals sign in the second column. The bottom two rows are shaded gray. To the right of the grid are two ten-frames, each a 2x5 grid of squares.

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

A grid for base-10 notation. It consists of three vertical columns. The top row contains a plus sign in the first column and an equals sign in the second column. The bottom two rows are shaded gray. To the right of the grid are two ten-frames, each a 2x5 grid of squares.

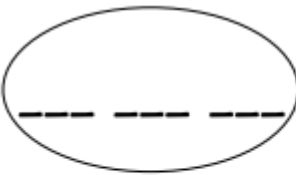

\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

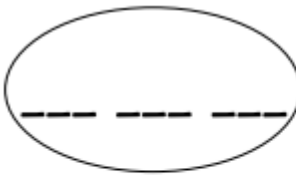

A grid for base-10 notation. It consists of three vertical columns. The top row contains a plus sign in the first column and an equals sign in the second column. The bottom two rows are shaded gray. To the right of the grid are two ten-frames, each a 2x5 grid of squares.
