

Number 1
is like a stick,
a straight line down
that's very quick!

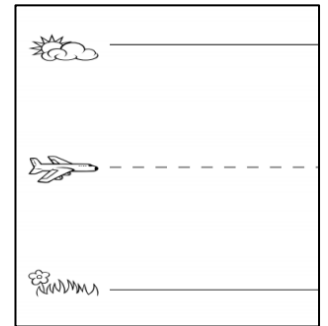

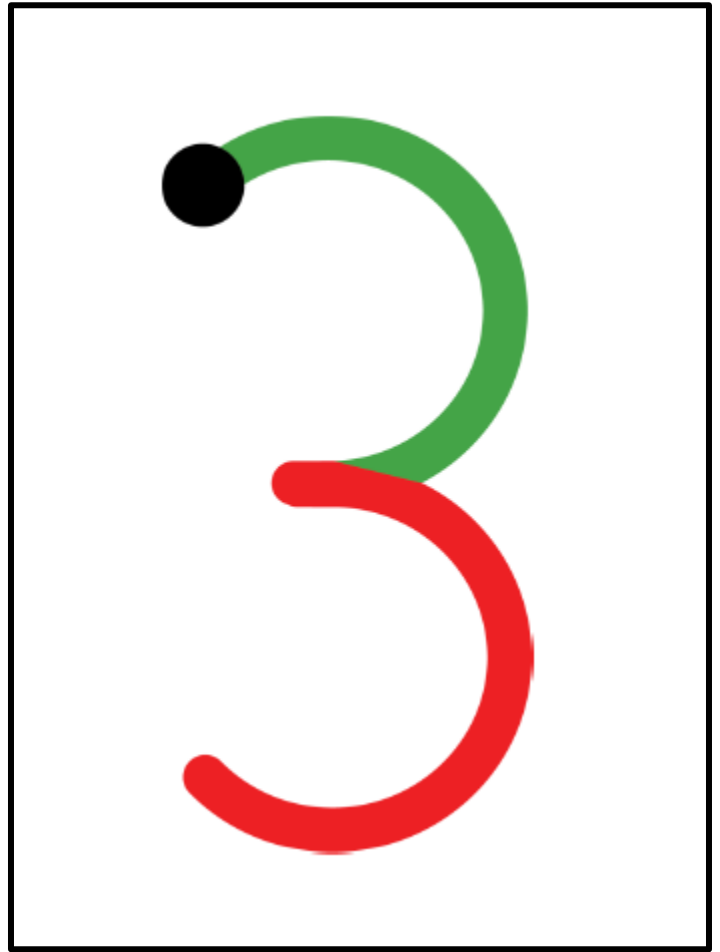

| | | | | |
|---|---|--|--|--|
| ● | ● | | | |
| | | | | |

For number 2
 go right around,
 Then make a line
 across the ground!

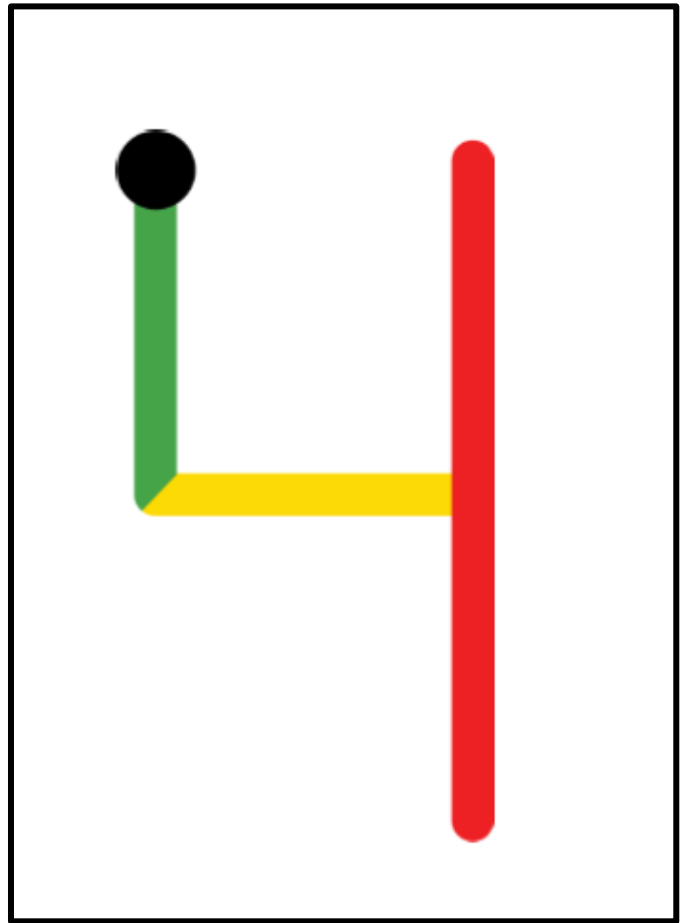

Go right around.
What will it be?
Go round again
to make a 3!

Down and over
and down some more.
That's the way
to make a 4!

Go down and around,
then you stop.
Finish the 5
with a line on top!

Down around
in a circle you go.
That's a 6
just as you know!

Slide to the right.
Then slant the line.
That makes 7
every time!

Make an "S"
but do not wait.
Slant back up
to make an 8!

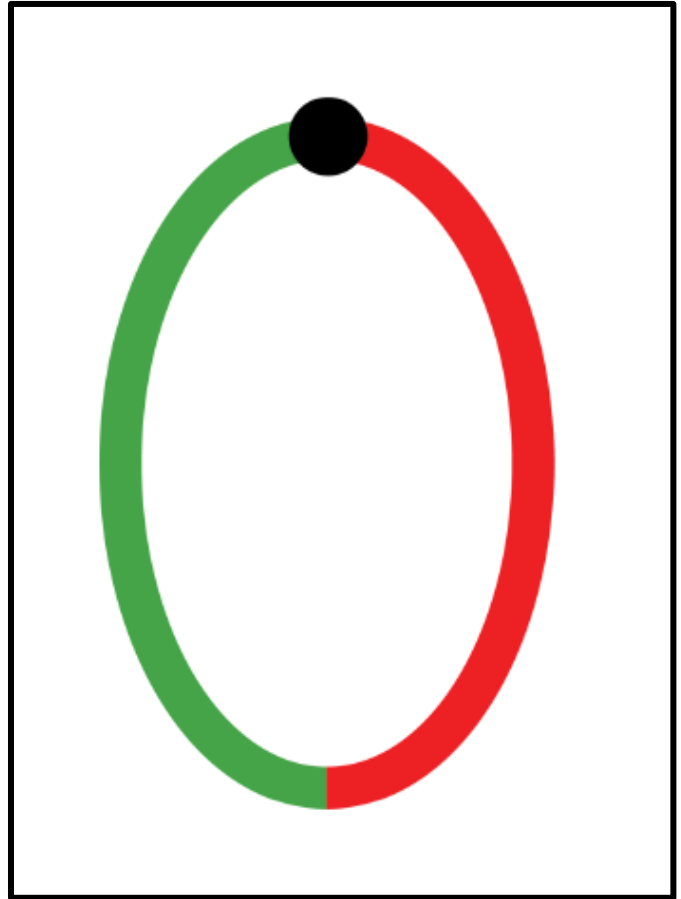

Loop to the left
and add a line.
Now you've made
number 9!

Round and round
and round you go.
That's the way
to make 0!

Make a 1
and then 0
That makes 10!
Now you know.
