

Number line (Source: mathlearningcenter.org)

Fill in the missing numbers on each number line below.

Which One Doesn't Belong?

Choose one shape in this picture that you don't think belongs with the rest. Explain why. Can you pick another shape and give a different reason? (Source: wodb.ca)

Making Change

Make 87¢ in **three different ways** using quarters, dimes, nickels, or pennies. (Source: <https://www.openmiddle.com/>)
